

Non-Warranty Pricing Schedule

Subwoofers

The following are the non-warranty charges for selected JL Audio subwoofers. These charges will apply to any product returned for replacement and found to be out-of-warranty due to age, abuse or lack of proper purchase-date documentation. Subwoofers not listed below cannot be replaced. The charge includes replacement with an original specification, Remanufactured Subwoofer and return freight (Ground Service/Continental U.S.). Replacement products will carry a 1-year warranty from the date of return shipment.

Products with altered, defaced or removed serial numbers:

An additional re-serialization fee will be charged for any eligible product returned for non-warranty service with defaced, altered or removed serial numbers. Any item returned without a serial number MUST be accompanied by a bill of sale / receipt proving legitimate ownership of the product. This bill of sale may be from an authorized or non-authorized dealer. Products returned for service without proof of ownership will not be accepted under any circumstance. Serviced, re-serialized products will carry a 1 year parts and labor warranty from the date of return shipment.

Under no circumstance will JL Audio honor warranties on products with altered, defaced or removed serial numbers!

Non-Warranty Service: Re-Serialization Fee (all products)

Please read the explanation box above. This charge will apply to any product requiring service and lacking a legible, legitimate serial number.

MODEL	SKU #	RECERTIFIED REPLACEMENT PRICE (INCLUDING RETURN FREIGHT)
Re-Serialization Fee	92100DR	\$60.00

Non-Warranty Service is not available for products not listed on Non-Warranty Pricing Schedule pages.
